The Recreational Plan was accepted by the DNR but we didn't qualify for the DNR grant due to not enough "professional" information ex: Engineering Company plans. The Adams Township Recreational Plan has to be reviewed every 5 yrs. Will get an exact date when this time frame is coming due.

There are no plans on redoing the floor in the Ice Rink due to cost at this time. Cooling mats were mentioned but also too expensive. The roof on the ice rink is a priority, boards will need to be replaced due to rotting.

Martha stated she hasn't heard anything from Copper Shores Grant, hopefully hear something soon on the playground in Atlantic Mine. Martha said there are other grants out there and she is looking into them. Martha did talk to Adam's Township Assessor Luanne Hayranen and was told the location of one of the marker stakes marking the playground boundary.

Adam's Township Attorney Kevin Mackey was working on deed preparation for the potentially donated property in Baltic by the Deforge Family for a playground.

There has been no communication with Jay Ruohonen or Jeffers High School regarding the property in Atlantic Mine being donated by Jay and Dorthey Ruohonen for walking trails and nature preserve.

Martha is still looking into property for a Ballfield that can be utilized by the Jeffers High School team.

Paul brought up the WUPPDR/MSU extension class on Short Term Rentals and whether we received any information on this. He is going to forward the emails to us to look into it.

Paul made a motion to adjourn at 6:30 PM, seconded by Martha. All Ayes. Meeting Adjourned. No future meeting date set at this time.
